Don't let SMSF refinance opportunities stay buried

EasyRefi makes it easier to revisit SMSF loans that may have been gathering dust in your back book.

With a streamlined assessment process and less paperwork required, digging through your SMSF back book and refinancing SMSF loans no longer needs to feel like hard work.

Other reasons to dig deeper

Potentially secure more competitive rates and lower repayments for your SMSF clients

Help put more money back into their self-managed super funds

Save eligible clients around \$1,500 in upfront legal costs

With less complexity, less paperwork and lower costs, EasyRefi makes SMSF refinancing easier for brokers and more worthwhile for clients.
